Let the ENCHANTMENT Bath sweep you into a world of sumptuous decadence and timeless elegance.

The main body of these fabulous baths are formed from pure Copper without discernible seams. The added plinth allows ample room to put your outlet under the floor or above to suit all plumbing requirements.

All polished surfaces are sealed with an impact resistant finish that requires little maintenance.

All Tin surfaces are supplied unsealed in their pure form to facilitate a patina over time.

The surface markings are part of the look of the bath, so expect dinks and dents and character with your Copper bath. This is not a machine made item.

£3299.00 exc VAT

£3783.85 inc VAT

Live the Dream in Opulent Luxury

Be indulgent in a DISTINCTION all Copper Bath.

Sealed with an lustrous impact resistant finish that needs little maintenance. The DISTINCTION is the classical Copper bath of your dreams. These are hand moulded into shape over many hours and will have their own unique beaten copper finish.

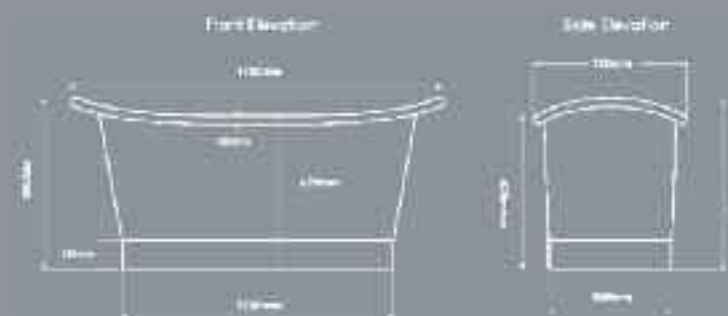

The surface markings are part of the look of the bath, so expect dinks and dents and character with your Copper bath. This is not a machine made item.

Copper Push Down Waste
£89.00 exc VAT
£102.35 inc VAT

VAT shown at 15%. Inclusive price may increase in January 2010.

KURVSTONE is a combination of solid-surface technology and design. There is a maximum amount of internal bathing area as the bath is rimless. The KURVSTONE is both comfortable and stylish. An overflow channel is cleverly hidden in the wall of the bath, but please note there is a 2mm overflow cover block on the outside of the bath to facilitate this [see picture].

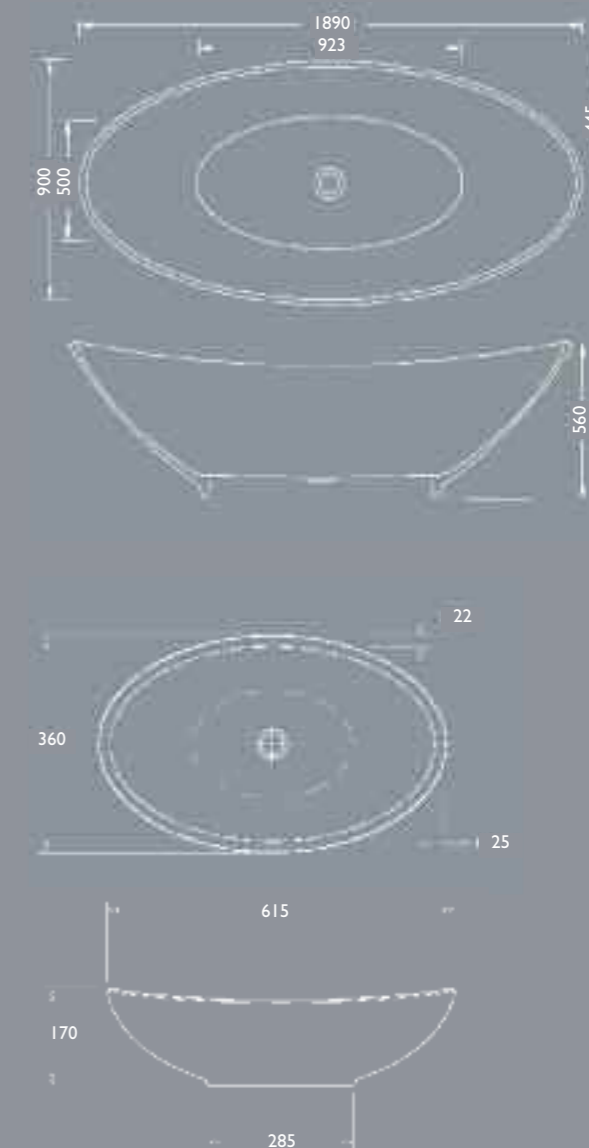

A KURVSTONE bath WITHOUT OVERFLOW can be supplied to order. The non overflow bath does not have the block on the outside. Allow up to 6 six weeks delivery.

As with the Standard Kurv bath, the waste has to be run under the floor as there is no room beneath the bath for a standard U-Bend.

Comes supplied with chrome push down waste and flexible outlet pipe.

With overflow	Without overflow
£2995.00 exc VAT	£2895.00 exc VAT
£3444.25 inc VAT	£3329.25 inc VAT

VAT shown at 15%. Inclusive price may increase in January 2010.

Kurvstone Basin
 £380.00 exc VAT
 £437.00 inc VAT

VAT shown at 15%. Inclusive price may increase in January 2010.

Following the success of the BC Designs white Thinn range of Cian Baths, we introduce Cianstone® Stone Look baths which have a wall thickness of 20-25mm. An overflow is built into the body of the bath. This bath is both comfortable and stylish and because it is rimless, it gives a maximum bathing area.

Cianstone is a warm material which retains water temperature and is very stable. Minor scratches and dents can be easily removed as it is a solid mix of colour all through the body of the baths.

NEW CIANSTONE BATHS

TASSESTONE Cianstone Bath with built in overflow

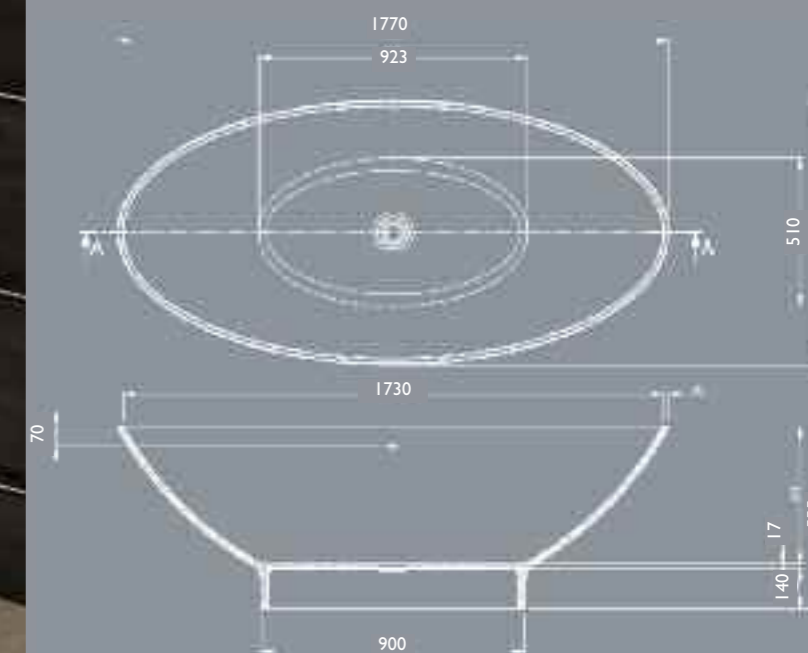

The TASSESTONE solid surface bath is for lovers of the oval design. This delicate, yet sturdy bath has a rimless design to give comfort in a large bathing area. Supplied with a built in overflow to keep the simplistic design, and also a waste and flexible waste pipe outlet for ease of installation. But please note there is a 2mm overflow cover block on the outside of the bath to facilitate this (see picture).

A TASSESTONE bath WITHOUT OVERFLOW can be supplied to order. The non overflow bath does not have the block on the outside. Allow up to 6 six weeks delivery.

Comes supplied with chrome push down waste and flexible outlet pipe.

With Overflow	Without overflow
£2890.00 exc VAT	£2790.00 exc VAT

Tassestone Basin
 £375.00 exc VAT
 £431.25 inc VAT

VAT shown at 15%. Inclusive price may increase in January 2010.

For lovers of the egg shaped bath, we introduce the TASSESTONE solid surface bath. A delicate bath which is very comfortable in a natural stone flecked finish. The rimless design gives maximum bathing area. There is enough room in the cavity below the bath to accommodate a U-bend.

Cast In solid marine Grade aluminium with a bonded Acrylic Liner for maximum heat retention. The classic Boat (sometimes called a "Bateau" Bath) now suits both Contemporary and Traditional settings.

IMPORTANT: The solid cast outer of the Boat Bath is hand ground and polished. Inevitably, there are small pin holes and dimples as well as slight variations in the aluminium colour due to the rigorous polishing. These are part of the character of the baths and should be expected when ordering.

£2995.00 exc VAT
£3444.25 inc VAT

VAT shown at 15%. Inclusive price may increase in January 2010.

The Boat Bath can take the following waste options ONLY.

This Bath weighs approx 110 Kilos
 Capacity 150 litres

All Dimensions are approximate due to shrinkage

BC Designs has become a landmark of quality for any discerning bathroom designer looking for something with that "WOW" factor.

The company sets out to inspire the quality bathroom idealist and to produce products that are just that bit different. Focussing not on the look of the month, but more concerned with fundamental design features, creating classical furniture and products that never go out of fashion.

From the simple pull switch to the most lavishly styled bath, BC Designs products are both as recognisable as they are unique. We hope you find this new brochure both stimulating and enjoyable to use.
